

Coffee-Scented Playdough Goats

Bring some fun and creativity into your home by making your own playdough with your children! Follow our easy recipe to create colorful, squishy playdough, and then use it to craft adorable brown goats. Inspire your kids' imagination and curiosity about farm life through this engaging and educational activity!

Recipe:

1 cup flour

1/4 cup salt

1/2 cup hot black coffee

1 Tablespoon cooking oil

Combine the dry ingredients in a bowl. In another container mix the hot coffee and oil together. Slowly pour and mix the liquid ingredients to the dry ingredients. Knead the dough until it is no longer sticky. If needed add a little extra flour. Store in an airtight container.
